

Our Goals...

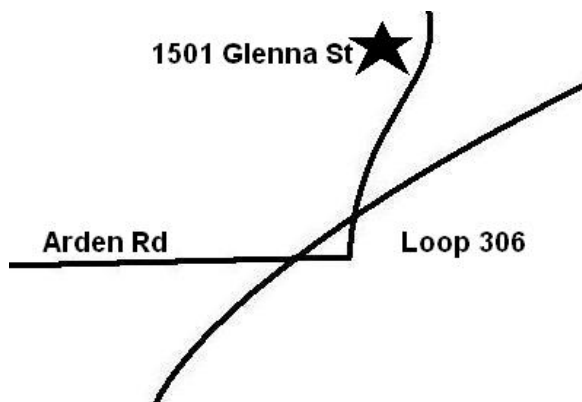

For the younger players, we provide a fun environment where they can improve their technique. With the older players we want them to have fun; further develop their technique; and advance their tactical understanding in a challenging environment. Soccer is a simple game - proper technique & the ability to make the best decisions will go a long way toward success. But our foundation is always helping players enjoy soccer.

Free T-shirt?

All participants paid in full according to the deadlines listed for their camp will receive a FREE camp t-shirt. Because we have to pre-order exact quantities and sizes, anyone who registers late will unfortunately not receive a camp t-shirt...our apologies.
